<b>Description</b>	
<i>Provide a short description of the event and its activities.</i>	

The 4th Transnational Project Event, titled “Approaches and Best Practices for the Current Post-Covid Social Transformation,” was held online on September 15, 2023. This event, organized by the Municipality of Alzano Lombardo, brought together educators, policymakers, and experts to discuss the impact of the COVID-19 pandemic on educational systems. Key topics included strategies for maintaining teaching performance, fostering student participation, and adapting schools to post-pandemic challenges.

The agenda included keynote speeches, panel discussions, and interactive working groups to explore how educational institutions align with the strategic drivers of the EUREbirth project. The event concluded with reflections from local authorities, emphasizing collaboration and innovation in education during times of social transformation.

**Communication and Dissemination:**

The event was promoted through local schools and media channels, ensuring engagement with the community and stakeholders. Announcements and updates were shared to maximize awareness and participation among educators, policymakers, and local residents.
